- Call 1.866.762.4122. Mention that you are a Wilderness Season Pass holder when reserving and be prepared to provide your pass number.
- A credit card is required to secure your booking but will only be charged in the event of a late cancellation or no-show. In this case, regular cancellation charges apply.
- For reservations with the Alpine Club of Canada properties, bookings must be made directly with the ACC ([info@alpineclubofcanada.ca](mailto:info@alpineclubofcanada.ca) or 403-678-3200 ext. 0).

### Check-in/Check-out Times at HI Canada Wilderness Hostels

- Please respect hostel check-in and check-out times. Check-in time is from 5pm to 9pm. Please do not arrive before or after these times. Check-out time is 10am.
- For security reasons, the hostel dorms and entire building may be locked between 10am and 5pm.
- For all other HI Canada hostels or Alpine Club of Canada properties, please refer to their respective websites for check-in and check-out times.

### Checking In:

- Be sure to bring a piece of valid government-issued photo ID. You are required to present it upon check-in for each stay.

### Sporting Equipment:

- Storage and maintenance of sporting equipment is permitted in designated areas of the hostel only. Please check with manager as to the location(s) of designated areas.

### Friends of Registered Guests

- The hostel is for registered guests only. Your pass does not include guest access. Friends must register with the manager and pay the overnight rate. We do not provide a 'day use' fee, so even if your friend is only staying for a few hours in the evening, they will have to pay the full overnight rate.

### During your stay:

- Wilderness hostels are a communal environment with limited space, equipment and staff. They are much closer to backcountry cabins in nature than they are to most of our larger hostels and are priced accordingly. As such, guests are expected to:
  - Show respect to fellow guests and staff
  - Support other adventurers—Alpine days start early!
  - Keep their belongings tidy and compact
  - Clean up after themselves
  - Use appropriate language and behavior, as these are family-friendly spaces
- Please help keep everyone's stay enjoyable by abiding by this code of conduct. Failure to do so may result in the suspension or cancellation of the Wilderness Season Pass at the hostel manager's discretion, in which case no refunds will be issued.
